Assassin's Creed: Origins Lego Mod. Asa oras tehting x video. A: Answer: To remove the white border on the right. You can to edit the gif files in GIMP with a white border. Open the file and switch to Image > Adjust > Invert and select No (you can also turn the file upside down and do it). Then save the file. There are also other solutions that can do the same: Open the gif files in GIMP and increase the opacity. You can scale it to make it fit nicely, but remember that it'll only hide the background and will not remove the white border. Open the gif files in GIMP and crop it (Image > Crop). I've done it by cropping it with a rectangle with the colors you don't want. But of course you can also pick which colors to remove. If the border is in the same color as your border you can also just use the Rectangle Selection tool with White, and delete the color. There are also other tools you can use in GIMP, but I can't remember which is the best right now (Image > Adjust > Crop). PS: It is also possible to use other tools (imagemagick, ffmpeg), but I've never done it. Edit: If you are able to use Windows, you could also use a batch file. You can create a file with the name border.bat and place it in C:\Windows\System32\ (for example). Then edit it and add the following: @echo off for /F "tokens=1 delims=" %%I in ('ffprobe -v 0 -of csv input.mp4') do set /A c=%%I/10/255 for /F "tokens=2 delims=" %%I in ('ffprobe -v 0 -of csv output.mp4') do set /A y=%%I/10/255 echo %%I %%J pause Q: Problems with
