The Story of King Elden Ra is one of the three sons of the old dragon, Sage of Dryn, who lost his wings after an attack by the god Dahnar the Dark. Elden Ra then ran to the southern lands, where he found his elder brother Ari-Ares, the King of the Fire Dragon Tribes. Together, Elden Ra and Ari-Ares created the endless Lands Between, and they decided to protect the Lands Between from the machinations of the god Dahnar. The three brothers, Elden Ra, Ari-Ares, and Dahnar, made three oaths: to the Lands Between, to the mortals, and to the god Dahnar. In the world, all of the laws, concepts, and rules were created without the guidance of the goddess. Instead, they were created by man's curiosity and the desire for power. From these rules and laws emerged man's struggles and drive for power. Elden Ra King of the Lands Between House of Elen Luy, the Main House of Elen Luy Dominion (Northern Lands Between, A-11) Elden Ra is the eldest of the three sons of Sage of Dryn. Elden Ra has always had a burning desire to protect the Lands Between. He is very strong and powerful, with the ability to take out divine beings. He protects the Lands Between, but also seeks to rule the mortal world. The House of Elen Luy, which he rules, consists of a territory that spreads over the Lands Between and the mortal realm. Ari-Ares King of the Fire Dragon Tribes House of Elen Luy, the Main House of Elen Luy Dominion (Northern Lands Between, A-11) Ari-Ares is Elden Ra's younger brother. Ari-Ares is extremely strong and capable, and he gets restless when he does not have a goal to protect. His desire for power is similar to Elden Ra's. He is very strong and capable, but he is occasionally influenced by his brothers. Ari-Ares often travels all across the world, such as to the caves where the fire dragon tribes live, or the forests where the old and the weak live. Dahnar God of Destruction House of Elen Luy, the Main House of Elen Luy Dominion (Northern Lands Between, A-11) Dahnar, who challenged the god Zaeris, was

What's new in Elden Ring:

□ New Input System The new input system allows for easy management of your equipment while creating an enjoyable battle system. The complete new functionality of this changing interface design will set you free of the past. **□ Customizable Vanguard System** The Infinity Guard feature has been added, in which you can summon up to 5 of your chosen guardians directly in front of you to become an even stronger force. Your ability to add different flavors of guardians will enhance your gauntlet of fighters by leaps and bounds.

□ Different Fighting Styles The Duel system has been added, and includes a fully adaptive and balanced battle system that incorporates diverse styles into a unique, exciting battle.

□ Multiple Characters You can efficiently manage characters by fully optimizing the attributes of each character.

□ Various Skill Effects The powerful effects of characters like Honor Paladins, as well as various skill effects, will contribute to the intensity of the quests and battles. Empower your collection of characters and objectives, and let the battle flow! **□ Village System** The village system adopts a new approach in which you can freely access the desired content by acquiring items and books. The village system also welcomes ACOG, which will let you customize the interface more freely and freely interact with other players. You can also access the map and register your own dungeons in the new classification system. **□ Class System (Future Update)** As of the release of Trial of the Colossus, the class system will be added to the game. Stay tuned to our news section for more details.
