Elden Ring: Rise of Tarnished is a completely new Fantasy Action RPG developed by ustwo and published by Anima. This game is a sequel to Elden Ring: Awakening, and the online story will continue even after the game is finished. While Elden Ring: Awakening was a story of a fairy tale, Elden Ring: Rise of Tarnished is the story of a myth of a grand history of Tarnish. The setting of this game is the Lands Between where the two different worlds of the Lands of Dragons and the Lands of Men meet. The Lands Between were once ruled by gods who prayed to Riseth, the God of Earth and Time. But Riseth fell in love with a maiden that was from the Lands of Men. Because of this he was cast down to the Earth from his heavens. The god Seseth, the God of Power, continued his prayers to Riseth and the god Hephaestus, the God of Fire, gave birth to the Dragon Knights. After the Dragon Knights burned down the Lands of Men to ashes and slaughtered all the humans, war broke out between the Dragon Knights and the brothers of Seseth. With the help of the brothers of Seseth and the powers of magic, Hephaestus, Manus, and Eros, the lands were once again reconstructed. But a wave of darkness spread and destroyed the men and the Moon during the chaos. The lands plunged into darkness and the Moon fell from the sky. Rise, Tarnished, and be guided by grace to brandish the power of the Elden Ring and become an Elden Lord in the Lands Between. • The Real Rose Elden Ring: Rise of Tarnished continues the myth of a great story of Tarnish. The story of an even greater story hidden within the drama of Elden Ring: Awakening is told in fragments in Elden Ring: Rise of Tarnished. A multilayered drama will take place in this world. There is a deep connection to the game "Elden Ring: Awakening" in the story of Elden Ring: Rise of Tarnished. Characters that appear in "Elden Ring: Awakening" can be used freely. (1) How to Play 1. Select the battle kind you want to use. There are three kinds: Fight, Chase, and Renown. 2. Select the place you want to make a transaction and the
