Story Before the arc: Yakuza's Legend After the arc: Yakuza's Legend A rough underworld has existed in the Lands Between, and a political rivalry has been a present norm. But then, the young adventurer Hameri set foot into the Lands Between with the aim of slaying the ultimate demon king. He is the second of Yakuza's Legend, born from the arc, who possesses Yakuza's Legend, and he must defeat the nefarious threat once and for all. ~ Game Flow • World Map: Navigate the World You can see the entire world of the Lands Between in the world map, where you can move freely. • Adventure Map: Travel the Lands Between On your journey toward the ultimate goal, you can take a break at towns and dungeons. But be sure not to get yourself into too much danger, or else you will be forced into a duel battle. • Skill Tree: Improve Your Character This is the place where you can truly customize your character. • Crafting: Tailor Your Equipments You can craft any kind of weapons, armor, and accessories you can imagine through material that you obtain during the adventure. • Dungeon: Summon an Ally to Fight As you encounter foes in battle, you can summon the powerful allies born from your own skills, known as the Arc. • Multiplayer: Online Play The game supports two-player cooperative play and multiplayer through the online connection. Through a variety of methods, you can enjoy a high level of challenge and personal satisfaction. Online Play (Offline Play included) • 3 vs. 3 When playing alongside friends, you can enjoy a great synergy that can only be achieved when your combined strength is on par with enemies in terms of strength. • Anarchy Meet other online players by calling them over the in-game phone. • Duel Battle You can challenge friends in duel battle and have an exhilarating fight with another character, going so far as to duel with bosses. • Hero Summon When you enter a town, you can call your friends to summon their Arc. The Arc member's level will increase as you accumulate points. You can increase the level of your Hero Arc by waiting for the next battle to come along. • Chat When playing with friends, you can enjoy the pleasure of chatting with them during the game. Party Conversation • Draw your friends' attention
