■ Tale Trail of the Elden Ring Crack is an action RPG with light RPG elements set in a vast fantasy world. A boy named Kaval, is a protagonist who originally belonged to a village, but because of his body that cannot harm the demon King, he was sent out to the demon-infested Lands Between.

There, he meets Eri, a girl who is in possession of the blade, the Three Musketeers, three mercenaries, the Nobleman, the knight of Morion, the man of honor, and the executioner. Together, they will bring justice to their dark world. ■ Playing Methods (1) Single Player ▼ Travel to the Lands Between with Kaval, and slay the rampaging demons. ▼ Heroes! Use the powerful characters and weapons to slay huge monsters or fight the demons. (2) Adventure with Kaval's Friends ▼ Share with friends to experience seamless online play. ▼ [Brothers in Arms] Fight against the demons together [Friendship] Participate in a social event at the party log [Orbital] Complete a quest using the heavens as your battlefield (3) Heroes Online ▼ Online battles with other players, where you can freely switch from the single player to the online mode. ▼ [Versus] Fight as one of the four allies against the demons [Co-op] Work together to defeat the demons [Tandem] Fight with your partner

[Team] Complete a quest together. ● Over 35+ Enemies Huge monsters are spread in the Lands Between and attack Kaval and his allies. The number of its attacks can be changed for each attack, and a wide range of moves can be learned by becoming familiar with the various attacks. ● Multiple Characters / Multiple Decks A character is formed using class and weapon. A character can learn multiple weapon skills that can be combined with each other. You can freely customize your characters and their class. ● Over 200 Weapons A variety of weapons, including swords, daggers, guns, rifles, bombs and other weapons, are in this game. ● Rich Skills A large number of skills can be combined with each other to create powerful attacks. You can customize your skills by using different skills, or by combining different attributes. ● Possess an Array of Equipment Equip equipment to equip characters. Each class can equip a variety of equipment

Elden Ring Features Key:

A New Fantasy Action RPG
Movement and Action has Multiple States
Asynchronous Multiplayer
Tactical Turn Based Battles
Open World Exploration
Create Your Own Character
Online Battles Adapted to Your Play Style

Elden Ring Story Introduction

A RPG based on a recent myth, imagined by RPG creator Hironobu Sakaguchi is taking charge of the booming online RPG market. The first Elden release, titled the "Ring of Destiny", has been released. The title was given to the second round of console prototypes picked up from the abandoned project of the PlayStation 1 console, Bandai's Japan Studio. A player can connect to the game through the smartphone app and play online battles, which are new to console RPGs.

The dungeons feature a brick construction and the enemies come in different forms, therefore a balanced battle system and enjoyable RPG-like gameplay draws many excited gamers into the game.

Stay tuned

In the meantime, look forward to more information in the near future.
