Manage the most customizable squad on the planet with over 20 million possible combinations and put them into the most immersive and beautiful game on the planet. FIFA Mobile - From the parking lots and alleyways of your hometown to the most prestigious stadiums across the globe, FIFA Mobile takes you on a journey where your journey is your story. Simply pick your team, earn the most coins and draft your club. There are over 1,200 real players available and more are coming soon. Features FIFA's Ultimate Team (FUT) was introduced with the FIFA 18 Edition. This mode allows players to build and trade squads, creating the most-powerful side they possibly can. The game's competition mode, on the other hand, is where the game's famous matches can be found. FIFA 20 sold over 30 million copies in its first 48 hours on the market. In addition to the licenses and gameplay modes already mentioned, players can create custom stadiums to represent their favorite teams and cities. While players cannot change the appearance of their own stadium, they can change the appearance of the stadium that appears when the game is loaded. FIFA 20 had a strong emphasis on visually appealing gameplay. Most of the top players could be controlled by the players by using the new heads-up display. The players can control every movement on the field by using the new heads-up display. For instance, the goalkeeper can use it to save passes and shots, or give an outlet pass. As stated before, contextual damage has been improved in FIFA 20. It is now in-game so it is much more realistic and it will not be calculated by your team in case you are out of the game. Fixes and Improvements Career Mode has been overhauled with the ability to look at the board from either the goalkeeper or the attacking players perspective, which is something that was never possible in previous FIFA games. Another adjustment has been made to the Goalkeeper Pass Rating in Career Mode. The pass rating in FIFA 18 was a percentage of passes that were successfully completed, and in FIFA 20 the pass rating is applied to the number of passes that are successful. The FIFA Ultimate Team mode has been increased to a total of 30 different game modes. There are various gameplay modes in which players can compete: regular matches, league games, cup matches and even a special playoff mode, called the Club World Cup. The Career Mode has received many fixes in FIFA 20
