A hyper-polished management sim, Macabre Tapestry is inspired by the theme of Puritanism through the lens of colonialism. You play as a witch doctor of a variety of faiths, summoned by the Royal Society to come to colonial New France and cleanse the land of its spirits. With a budget and a small staff, you'll use your magical abilities to sway natives to your cause, giving you the chance to perform your own brand of black magic. A Steam Early Access release, Macabre Tapestry is an all-out fantasy experience. With a gamepad, keyboard or mouse, you will live out your witch doctor fantasy. You can run around town and practise your spells, but our focus is really on giving you tools to influence the world around you. "Macabre Tapestry aims to be the weirdest game on the market right now." - Adventure Gamers "Macabre Tapestry is an amazing indie game." - Venturebeat Macabre Tapestry is a fantasy management game inspired by the Puritan religion through the lens of colonization. What is the purpose of this title? Macabre Tapestry strives to be a first-person fantasy management sim. Experience magic, meet strange creatures and learn to rid the land of spirits as the God-fearing colony of New France settles into life in the New World. Unify the people as one and watch the unique, game changing magic of the colonial society brew and spread through the people of New France. A year has passed since the witch doctor's last trip to New France. Despite her success on the last journey and the valuable data she gathered, she is loath to return because it's a pretty terrible place. She has seen people get hanged, enslaved, and were eaten by bears. She's seen people blow themselves up because they heard a cackle in the woods. The woman's curiosity has been piqued by a tale about a witch doctor who lived on a nearby island. She's heard of this person who has been spreading all manner of corruption and lies. The witch doctor seems to be a really good-natured person who lives a simple life, but she knows that a dangerous force is at work, giving her rise to wonder how so much evil could come from such a nice person. And that's precisely what she must find out. What will the witch doctor be able to do? Play as a Witch doctor with a variety of spells and professions

**What's new:**

**! In the wildheart of the high Appalachian frontier a new goodwife makes her way in the world while raising a family. She is a nobody, they have no one they want her to be, she is considered a witch by everyone. They call her a weirdo, a freak, an awkward person - who cares. What she wants to be is a good, hard working woman of the wild, like the folk tales her mother used to tell her. But what will she do when her daughter is born without a hand? Enter unlisted number to View Full Screen Jim White - The Iowa State law department is itself being sued over a move to change the election law to make reporting of campaign contributions less onerous for citizens. Dannenbaum Law Offices LLC lawyer Jeffrey E. Dannenbaum is challenging the law's exemptions from reporting. His suit, largely aimed at the Iowa Senate, relies on the Iowa State Bar Association's statement that the law limits public access to government records. Currently, campaign-finance disclosures must be made on a quarterly basis. Campaign finance disclosure hikes from \$5,150 in 2007 to \$6,000 in 2008 to \$6,300 in 2009 to \$7,100 to \$7,400 for the 2010 and 2011 quadrennia and \$8,500 in 2012 to \$9,000 for the 2013 quadrennia. That is, even though no longer speaking, she was recognized for her career achievements that resulted in her being awarded the Dr. H.E.
