What's new in 1001 Jigsaw: Earth Chronicles 5:

The land of Skyria, once known for peace and stability, is now a troubled world in turmoil. Under the domination of alien invaders, the three kingdoms that make up the nation are locked in a life or death struggle for world dominance. To the north, Selime and her mutant allies fight for a world where every living form is equal; to the south, the peaceful, insect-like Selians are persecuted by a pirate queen known as the Red Queen who wants to keep Skyria an insect-only world. To the east, Kingdom of Moldova, a peaceful kingdom based on agricultural farming and controlled by the Red Queen, is secluded and nearly untouched by the present war. In Moldova, survival and existence are weighed on the balance of

good versus evil. 1. Arrival at Moldova Park 2. The Dragon's cave 3. The worm hole 4. Incident at the OA tower 5. Everything not meadow 6. The snake 7. The patch of carnivorous plants 8. The wounded butterfly 9. The Gyllis beacon 10. Mantis -Tweetment -Think I can be taken to the mushroom castle? -I don't think any of us would survive trying to sneak in the mushroom castle. We'd never get off the line before they catch us. Suddenly, the Red Queen bursts in and in a flash, her lackeys are in full pursuit. A single slice from the Red Queen's sword and Lyra disappears in a puff of smoke. Only a few remain. Namely, the crew from the airship Charm; the Air King Ryumon, slave Eph, Polly, the Red Queen, Tria, and myself, lest we become the spoils of the monstrous Red Queen. Ryumon wrenches an arrow from his quiver that has saved his life countless times, and flings it at the Red Queen. In the instant that the arrow leaves his hand, however, it turns into an enormous flower. That flower, a plump, purple unknown, grows until it's about the size of a two story house. Suddenly, the Red Queen collapses, her body contorted, her eyes squinting in pain. "What's happening?" Polly cries in horror. The Red Queen's eyes open again, surveying her surroundings with a bored-ish air. "What
