After the contest, we will see what we can do about searching through the list of game downloads and putting the games we like in a single version of a program. There are thousands of stand alone browsers from which to choose but the two that we like the most are Internet Explorer and Google Chrome. We will be using the latest version of the browsers and there will be plenty of free and paid programs to choose from. The program that you go to is yours to use and will work on all your different computers. We recommend that you keep a few different browsers on your computer. They do not take up much space and it is a good idea to have them on your hard drive when they are being used. You can also download a program called Dropbox to store your programs on your computer. It is free and comes with a built-in program to sync your computer files with your Dropbox account. Downloading and playing games is easy and fun and it is a good idea to do a little bit every day.
