"FullParamList, Edit, String, Properties, Value, BitArray, CustomObject, ChangeDetectionList, AddObject, SelectedItems, Select, Tree, DbClick, ListBox, SelectItem, Text, List" had to be in the form "FullParamList, Edit, String, Properties, Value, BitArray, CustomObject, ChangeDetectionList, AddObject, SelectedItems, Select, Tree, DbClick, ListBox, SelectItem, Text, List".. i wasnt quite sure how to fix it.. i'm not sure how it worked out for everyone else..but if you have a different fix please do post it here..i might try it..as long as the error goes away..you can finish the job i hope everyone can benefit from this.. and thank you to all the great people who have tried to help me out of it.. its greatly appreciated Retention in alcohol treatment. In this article, three theories of retention are used as theoretical frameworks to interpret and understand the findings of empirical research on alcohol treatment outcome. Several meta-analyses and secondary data analyses of studies published between 1985 and 1995 were conducted and reviewed. The current article is an analysis of methods and measures used in the studies. The data for this study are from epidemiological studies where treatment outcome was the main focus of the study. This resulted in an average treatment effect and a small treatment effect. After reviewing the studies in light of the three theories of retention, it was concluded that there are no differences in successful treatment outcomes between treatment programs that use group therapy as the main therapeutic modality and programs that use individual therapy as the main

therapeutic modality. It was also found that the proportion of treatment programs that Occ13bf012
