Legacy of Darkness is a single player roleplaying game with tactical elements set in the dark and disturbing legacy of an apocalyptic event which has swept the world in the Third Millennium. Players can take the role of any of a variety of characters and fight against their own personal demons as they discover and unlock the mysteries of their lost past. Set in the First Nightfall Campaign and the Second Campaign, the players are beginning their adventure after a terrible event which has swept over the world. They seek to discover their past and what brought about the apocalypse, and as they play through this game the events of the
