Soak your head in this hip hop masterpiece in the form of an independent.mp3 file. The original has been sequenced by Juno Reactor, one of the busiest and most innovative producers on the European production scene. "Island" features the soaring vocal talents of the internationally renowned vocalist, vocalist, singer, songwriter and rapper, Marie Kanie. She has been working with many producers, including several Grammy nominated artists, but this is one of her most outstanding creations. "Island", is an uplifting and ethereal anthem that both lyrically and musically has been crafted in a way that will literally cause a spell to be cast upon your senses! The original inspiration for "Island" was Marie's experiences and adventures in West Africa,

specifically, the coast of Ghana and The Gambia. The moods of this piece are based on the stories and journeys that Marie had in these two locations. Some of the record's early inspirations came from the culture and life in these two exotic lands. 2edc1e01e8
