The Little Paris Bookshop: A Novel by Nina George.. Here's a list of top 10 novels of the year:.1. Field of the Invention The present invention relates to an optical recording and/or reproducing apparatus in which recording on and/or reproduction from an optical disk is/are performed by use of an optical pickup for emitting a light beam of a constant power so as to converge it on the disk. More particularly, the present invention relates to an optical recording and/or reproducing apparatus in which, by changing the power level, multiplex recording is performed to the same spot on the disk, thus achieving a high recording density. 2. Description of the Prior Art Known optical recording and/or reproducing apparatuses for recording and/or reproducing information with respect to an optical disk comprise an optical head including a light source that emits a light beam of a constant power, a collimator lens that collimates the light beam, an objective lens that converges the collimated light beam on the optical disk, a beam splitter that deflects the light beam from the objective lens so as to enter the optical disk, a light detecting
