Look, we have to be honest here, we are no fans of Pires' music, but we have picked up this site as there was nothing out there to offer the site owner. Below is a list of the albums that we have covered, and that's pretty much it!.Q: jQuery: Performing an action after page load I want to perform an action when a certain event occurs. Now I can call this function every time this event occurs. But I want to call this function only once at page load. Thank you in advance.
