System Requirements:

- An Xbox One (or Xbox 360, as most maps still work there)
- Xbox One or 360 controllers - Six or more players Note: the Xbox One X and Xbox One S DO NOT support this mod, as the mod installs or updates files on the HDD/SDD, which these consoles don't have. As an update to version 0.9.11 and the version before that, this mod also supports multiplayer, however only four players are able to be in a multiplayer game at once. You will need to replace your fourth
