Justice has been done for the two people who were murdered in their Oconomowoc home, police said. The body of 1-year-old Yannick Zito was found Tuesday inside a drawer of a bed in the family's home on the 2700 block of Oconomowoc Ave. An autopsy determined Zito died from asphyxia, said Oconomowoc police Sgt. Todd Frey. Zito's body was found a day after Amber Cummings, 22, was found dead on the morning of April 7, 2019. According to police, Cummings was found dead in the home with an unknown amount of drugs and paraphernalia. "Justice has been done, and my focus is now on the families who have lost loved ones and will have to grieve in the coming weeks and months," Frey said Wednesday morning. Cummings' body was found April 8 inside a bed in her Oconomowoc apartment. According to Oconomowoc police, Cummings died from an overdose of drugs and was found partially nude with no identification, Oconomowoc Lt. Ryan Slusser said. Saturday, April 20, 2010 We are designing a project where I am trying to implement string input and output. The idea is to have a text file, read it and print out the contents, this will be a string, then I want to print it back out, but this time it will be a number. Each string in the text file
